ABOUT US

St. Joseph College of Teacher Education for Women, Ernakulam is a Government Aided, UGC approved and NCTE recognized college affiliated to Mahatma Gandhi University, Kottayam, established in the year 1957.

St. Joseph College of Teacher Education for Women, Ernakulam dedicated to St. Joseph is established, owned and run by the Vimala Province of the Congregation of the Mother of Carmel (CMC). "CMC is a religious and charitable association of a religious minority group within the purview of the constitution of India (CMC Con.No.002)." CMC is the first indigenous congregation for women in the Syro-Malabar Church founded on February 13th 1866. It is universally acknowledged that education is an effective means for social reconstruction and to a great extent; it offers solutions to the problems a society is faced with. Realizing the significance of teacher education, Vimala Province entered into this realm through the establishment of the St. Joseph Training College for Women in 1957. As women, we consider it as our special call to promote the status of women everywhere especially in our country. With this specific objective we started this college exclusively for women. CMC has invested money, manpower and materials mainly in the apostolate of education. Ever since its inception, the successive provincial superiors of the province have been pillars of this institution acting as the Educational Agency.
