Description *(Describe what happened?)*	As a part of B.Ed. Internship programme, 5th set of lesson plans were prepared and classes are taken for the same.
Feelings *(What were your thoughts & feelings)*	I am really confident and not at all tensed. Now, I can know the needs of students in my class and I am focussing on it.
Evaluation *(What was good & bad about the experience?)*	I can take the class as how I prepared for it. In learning certain topics some students need more explanation and I can give it.
Analysis *(What sense can you make of the situation?)*	For abstract contents and concepts I should have given more and simple situations.
Conclusion *(What else could you have done?)*	More and simple situations related to daily lif should be incorporated
Action Plan *(What is your plan for the future?)*	In my coming classes I will try to include common examples and situations which can easily understood by students.
