### Agenda 1: Discussion on the revised draft form of Code of Conduct of students

The members discussed on the need of revising the Code of Conduct. Asking the students not to use mobile in the Campus was insignificant as all had turned to mobile learning, hence the code 'may use electrical and electronic devices in the college only after seeking permission from the Principal' needs to be reworded as

'Apart from academic purpose the students must seek the permission of the Principal for using Electrical and Electronic devices in the Campus'.

Agenda 2: Programmes to be chalked for Code of Conduct and Ethics for Faculty, Students and Administrative staff.

It was decided to have the orientation to the Code of Conduct for the fresh batch of B.Ed Batch (2022-2024) on 14/09/2022 by Dr. Saya Mathew. The orientation to the Code of Conduct for the fresh batch of MEd to be given in the month of November by Ms. Anuathy D.V.

Dr. Josephine Joseph agreed to orient the administrative staff on the code of conduct. It was opined that the student teachers going for internship should be oriented with the Code of Conduct to be followed as a teacher trainee in school and it would be good to ask teachers from the different schools who would be coming here for the intercession to brief them with the expected behaviour apart from the usual orientation by the Principal and the orientation by Optional teacher.

It was also opined to conduct value and ethic based programmes, the legal awareness week to be organized in the month of August, Value added courses on Gender sensitivity and research ethics for student teachers and teacher Educands would be appreciable, the programmes of anti-narcotic clubs against drug abuse to be organized for students and Public. Classes on Cyber Hygiene would also be helpful.

Agenda 3 : Means and Ways to be adopted for disseminating the ~~results~~ rules and regulations of the College.

In the discussion that ensued it was decided to have sign boards in strategic points to remind the students of the expected behaviour, the teachers also to communicate it to the student teachers during lessons about etiquettes and behaviour.

The meeting came to an end with the secretary proposing the vote of thanks.
