Dear Sir/Madam,

Greetings from Kerala Development and Innovation Strategic Council (K-DISC).

The Young Innovators Programme 2021 (YIP 2021) was opened to the students for idea registration by Honourable Chief Minister on 2nd December 2021.

We request you to encourage your students to actively participate in YIP 2021. This edition of the Young Innovators Programme is designed to reward the students with prize money on successful completion of the district level evaluations. We have also designed a module on Voice of the Customer (VoC) which will help innovators in understanding customer needs before submitting their ideas.

Students can start their registration here:

YIP 2021 Pre-registration

We are also attaching a student poster in image format which can be circulated via WhatsApp. Please refer to program executives if you have any queries. You can get their contact number by clicking on the link below: **YIP Program Executives**

Thanking you,

RESEARCH POLICY

St. Joseph College of Teacher Education for Women envisages a learned Society that paves way for improvement through Educational Research.

For the institution, Educational Research is important because it improves teaching and learning practices, reforms educational policies, addresses educational challenges, promotes innovation, ensures evidence-based decision-making, and contributes to the broader body of knowledge.

Objectives of Research Policy

This is what we aim at:

1. to help educators to refine their teaching methods and create more engaging and effective learning environments through research,
2. to help policymakers and education administrators to take decisions about curriculum design, assessment strategies, school organization, and resource allocation based on our research findings and outputs .
3. to help educational institution to implement evidence-based practices that promote student achievement and educational equity by relying on research,
4. to identify and address critical challenges arousing in the education system.
5. to investigate issues such as achievement gaps, inclusiveness, student motivation, school climate, classroom management, special education, and the integration of technology in education and to develop interventions, strategies, and programmes to overcome obstacles and improve educational outcomes.
6. to encourage innovation and the development of new ideas in teaching and learning by exploring emerging trends, theories, and technologies in the same.

 Dr. Alice Joseph
 Principal in Charge
 St. Joseph College of Teacher
 Education for Women,
 Ernakulam

St. Joseph College of Teacher Education for Women, Ernakulam

7. to challenge and encourage educators to think outside the box to improve educational practices by extending the boundaries of knowledge, and by fostering creativity through research.
8. to contribute to the broader field of knowledge by generating new insights, theories, and perspectives which would add to the collective understanding of human learning, cognitive processes, and educational systems.
9. to elaborate its knowledge creation, through multidisciplinary, AI based researches in the field of Education addressing the problems of individualisation and inclusiveness.

Custodian of the Policy

The implementation and updating of the research policy is carried out by the Director, Research Cell. The Research Policy shall also have a Research Advisory Cell to function under the Principal, St. Joseph College of Teacher Education for Women, Ernakulam to assist and advise in matters related to research within the college.

Research Policy

The Institutional Research Policy serves for encouraging and inspiring its Faculty and the Student Community- the Aspiring Research Scholars and the Research scholars to undertake research and further research for the growth and development of the Nation.

1. **Promoting a Research Culture:** Research policy of the institution help establish and promote a culture of research within the institution. It acts as a framework and guideline for conducting research activities, encouraging faculty, staff, and students to engage in research pursuits.

Policy Statement:

- The Institution shall have a Research Cell with the Principal as its Head, a Senior Research Guide as its Director and three more senior Faculty (Preferably Research Guides of the institution, approved by Mahatma Gandhi University).
