Letter of Recognition and Appreciation

We do hereby express our heartfelt appreciation and gratitude for the unwavering support, kindness, and inclusivity extended by St. Joseph College of Teacher Education for Women, Ernakulam, from 2018 onwards to the transgender community we serve. Over the years, St. Joseph College of Teacher Education for Women, Ernakulam has actively engaged with our residents, offering them a platform for interaction, education, and empowerment.

The annual Christmas celebrations that our residents have had the privilege of participating in at your college have not only brought joy and a sense of belonging but also created an atmosphere of acceptance and inclusivity. The interactions between your student teachers and our residents have been educational and enriching experiences for both parties, fostering understanding and compassion. Moreover, your college's and management's initiative in providing a platform for our residents to sell their handicrafts, including artificial flower bouquets, showpieces, and pickles, has been instrumental in promoting economic independence and self-sufficiency among the transgender community. Your students and faculty members' enthusiastic participation in purchasing these items has not only boosted the residents' confidence but also encouraged them to continue their entrepreneurial endeavors.

We would like to extend our appreciation to all the individuals, students, teachers, and staff members at St. Joseph College of Teacher Education for Women, Ernakulam for your continuous support and commitment to social inclusion and equality. Your actions have not only enriched the lives of the transgender residents at Jyothis Bhavan but have also set an inspiring example for the broader community.

We look forward to the continued collaboration and partnership with St. Joseph College of Teacher Education for Women, Ernakulam, as we work together to create a more inclusive and accepting society for the transgender community.

Once again, thank you for your outstanding support. We are deeply grateful for the impact your college has made on the lives of our residents. Your college's
