Outreach Programme at Ranimatha Public School

Kick Addiction, Embrace Life: Football Challenge against Drug Addiction

Date: 23-11-2022

Location: Ranimatha Public School

Introduction:

In the ongoing battle against drug addiction among school children, an innovative and engaging initiative was launched by a collaborative effort between the student teachers of St. Joseph College of Teacher Education for Women, Ernakulam and the Excise team. The event, titled Kick Addiction, Embrace Life: Football Challenge against Drug Addiction, aimed to harness the power of sports, specifically football, to inspire a positive shift in the mindset of young students. The program not only encouraged physical fitness but also aimed to reduce the allure of drug addiction and promote a healthy and drug-free lifestyle.

Event Details:

Organizers:

The event was organized by the student teachers of St. Joseph College of Teacher Education for Women, Ernakulam in collaboration with the local excise team. This joint effort aimed to create a meaningful outreach program and foster a sense of community responsibility.

Participants:

Both student teachers from our college and students from Ranimatha Public School actively participated in the football challenge. The enthusiastic response from the students demonstrated their willingness to engage in healthy and productive activities.

Objective:

The primary objective of the "Kick Addiction, Embrace Life" challenge was to create awareness among school children about the perils of drug addiction. By channeling their

energy into sports, specifically football, the program aimed to inspire them to lead a drug-free life and stay away from harmful substances.

Activities:

Football Challenge:

The heart of the event was the football challenge, where each individual from both the student teachers and Ranimatha Public School in a friendly but competitive manner got a chance to kick the ball. This provided an excellent platform for fostering teamwork, physical fitness, and a sense of achievement.

Awareness Sessions:

Alongside the football challenge, awareness sessions were conducted by experts from the excise team. These sessions addressed the dangers of drug addiction, its impact on one's life and future, and the importance of making informed choices.

Outcome:

The "Kick Addiction, Embrace Life" challenge yielded several positive outcomes:

Increased Awareness: The program successfully increased awareness among school children about the hazards of drug addiction and the importance of making responsible choices.

Encouraged Sports and Physical Activity: The football challenge ignited interest in sports, especially football, which can serve as a healthy and engaging alternative to drug addiction.

Strengthened Community Bonds: The interaction between student teachers and school students fostered a sense of community and encouraged mentorship.

Positive Role Modeling: Student teachers served as positive role models, demonstrating the significance of education, sports, and a drug-free lifestyle.

Conclusion:

The "Kick Addiction, Embrace Life" football challenge proved to be an effective outreach program against drug addiction among school children. By promoting physical activity and raising awareness about the consequences of drug addiction, it has set the foundation for healthier and more informed life choices. The success of this program underscores the importance of collaborative efforts in addressing critical societal issues and empowering the youth to embrace life with positivity and vigor.

Outreach Activity at Sneha Sadan Special School, 2022

Programme Report

St. Joseph College of Teacher Education for Women, Ernakulam organized an outreach activity at Sneha Sadan Special School in Pothiyakkara on 12th August 2022 from 10.30 AM to 2.00 PM. The major aim of the programme was to understand the facilities, programmes and functioning system of educational programs for the mentally challenged children in the special school. The student teachers from M Ed programme at St. Joseph College of Teacher Education for Women, Ernakulam were the beneficiaries for the outbreak activity.

As part of the outreach activity, the student teachers from M Ed programme at St. Joseph College of Teacher Education for Women, Ernakulam visited Sneha Sadan Special School, Pothiyakkara at 10.30 AM. Prior to the visit, the M Ed student teachers had contacted Sr. Celine, Headmistress of the Sneha Sadan Special School, Pothiyakkara. While the student teachers reached the school, the students at the special school was conducting a rally as part of the upcoming Independence Day celebration. The students were disguised as Bharat Matha and Mahatma Gandhi for the rally and it went well. The M Ed student teachers were asked to assemble at the portico of the special school. The Headmistress met the student teachers at the portico and asked the student teachers to introduce themselves. After that, the student teachers went for school tour to understand about the facilities and programmes of the school. The Sneha Sadan Special School, Pothiyakkara is recognized by the state government and also have a recognized name. There is plenty of land for the school building including a portico. The mission of the school is to mainstream children by imparting an integrated development program in a pleasant and stimulating environment. The goal of the school is to assist a physically or mentally challenged child to develop in normal living conditions and provide them with inclusive education. Their vision is the empowerment and integral development of the differently abled and socially marginalized 'The Special Children of God' creating and providing education infrastructure and other training programmes.

The staffs at the special school were very much cooperative. The student teachers could understand about the functioning of the school. There are more than 150 students and around 30 trained staff and non-teaching staffs at Sneha Sadan. The school functions in accordance with the rules of the government. The school is a residential one and the hostels for both boys and

girls are there but not in the same compound. There were staffs appointed to look after the hostel inmates. The fully fledged hostels have adequate facilities including dining room, kitchen, recreation hall, electric supply, water connection, bedrooms, furniture and latrines. The school also has a special syllabus for the students for their educational enhancement. All the students in the school is provided with individual attention and care at the school. The school follows 1:10 ratio classroom facility. The school has a great infrastructure and the facilities include library, ramp and rail facility, recreational activities, exercise room, prayer room, staff room and early intervention area. A computer lab facility is also arranged for the students to improve their technological knowledge. The school has special area for counselling and guidance and students receive counselling from trained counsellors. The counselling service is also provided for the parents of the special children. The school observes proper schedule and time for the systematic running of the institution, even though the time table is flexible. The students get proper break at proper intervals of time. The school has five class sections which includes, pre-primary, primary, secondary, pre-vocational and vocational for age groups including 3-6 years, 6-9 years, 9-12 years, 12-18 years and above 18 years respectively. Each class section follows proper time table. A specialized physiotherapist has been appointed for providing services to the students and the physiotherapist visits the school twice a week. As of now, a total of 15 students receive physiotherapy treatment and to be notable is the fact that most of the students follow the rules and are well disciplined. Speech therapy, behavioral therapy, occupational therapy, music, dance, Yoga and operational therapy are also provided for the needy students. Since the students are receiving various therapies according to their needs, the students get special training according to the depth of their disability. The school also helps students by providing training for self-helping skills. One of the major highlights of the school is that the teachers in the school follow different teaching methods and prepares activity lesson plans. The teacher employ special teaching strategy to teach the students. The teachers follow activity-oriented method and play-way method for the development and enhancement of interests of the students. Audio-visual aids have been used by the teachers for the betterment of the learning activities for students. Multi-sensory room facility is also used as a way to improve the senses of the students.

The M Ed student teachers could visit the building of the special school where vocational training is provided. The school imparts different vocational training programmes for the students. Book binding is one among the vocational training programme. The students help in

counting the pages and pasting the papers and the prepared books are sold to many schools which are under the CMC congregation. The school used to provide training for ornament making before covid-19 outbreak. The other vocational programmes provided by the school includes, soap making, candle making, mat making, card and cover making, agriculture, stitching and embroidery, and painting and drawing. After lunch break, the students in the special school were assembled at the portico and the M Ed. Student teachers conducted a few cultural activities to pep up the students. The outbreak activity at Sneha Sadan Special School, Pothiyakkara winded up at 2.00 PM.

The outbreak activity at Sneha Sadan Special School, Pothiyakkara was very productive and fruitful for the student teachers. The activity turned out to be successful in accomplishing its objectives. The student teachers could understand the facilities, programmes and functioning system of educational programs for the mentally challenged children in the special school. The activity made the student teachers to reflect on their own lives and to be grateful for what they have in their lives.

Jagaran- International Day Against Drug Abuse, 2022

Programme Report

The IQAC Cell and Anti Narcotic Club of St. Joseph College of Teacher Education for Women, Ernakulam observed International Day Against Drug Abuse on 24th June 2022 from 11.30 AM to 12.30 PM at Rani Matha Public School, Ernakulam. The programme was coordinated by the Anti-Narcotic club members under the guidance of faculty coordinators, Dr. Betty P.J, Assistant Professor in Mathematics Education, Dr. Smitha Jose, Assistant Professor in Education and Dr. Sicily A.A, Assistant Professor in Malayalam Education at St. Joseph College of Teacher Education for Women, Ernakulam. Students at Rani Matha Public School, Ernakulam were the beneficiaries of the programme. The programme was organized with an aim to spread awareness regarding drug abuse and its consequences and also to intensify efforts and cooperation in creating a drug free society.

St. Joseph College of Teacher Education for Women, Ernakulam along with the active leadership of the IQAC Cell and the Anti-Narcotic Club of the college always strives hard to conduct valuable programs for the wellness of students and the society. Every year, on 26th of June, International Day Against Drug Abuse is observed across the globe to intensify efforts and cooperation in creating a drug-free society. As part of observing the International Day Against Drug Abuse of the year 2022, St. Joseph College of Teacher Education for Women, Ernakulam conducted an awareness programme on drug abuse at Rani Matha Public School in Ernakulam on 24th June 2022. It has been planned to provide awareness on drug abuse because substance abuse and addiction can have negative effects on people and pose a threat to the entire community, if the problem is not controlled. The figures on drug and substance abuse worldwide paint a horrifying picture because it has overtaken the arms trade and petroleum as the third-largest, fastest-growing industries worldwide, and because 190 million people worldwide abuse one or more substances. According to the vast body of literature currently available, it is evident that almost every region of the world is currently dealing with issues like poverty, corruption, underdevelopment, unemployment, etc. All of these issues combine to form a new, rapidly expanding issue, i.e., substance abuse and trafficking. The World Health Organization (WHO) predicts that by 2020,

mental and drug use disorders will outnumber all physical illnesses as the leading causes of disability globally (WHO, 2008). In the present scenario where drugs are easily available at the hands of even the little ones at school, it is essential to educate the school students about the evilness of drugs. The awareness programme organized by St. Joseph College of Teacher Education for Women, Ernakulam started exactly at 11.30 AM. The awareness programme conducted by the college this year was very different from that of the previous years. Instead of focusing on providing a lecture series or sessions, it was an action programme. The 16 student teachers who are anti-narcotic club members of St. Joseph College of Teacher Education for Women, Ernakulam along with their faculty coordinators marched towards the Rani Matha Public School in Ernakulam holding the banner of the programme and placards with awareness generating quotes and slogans against drug abuse. After reaching the school, the student teachers performed a musical drama on the theme of the day which stroke the young minds at the school. After the musical drama, the student teachers exhibited some posters reflecting the negative effects of drug abuse as part of generating awareness among school students. The entire programme winded up at 12.30 PM with the expression of gratitude shared through vote of thanks by the school representative.

The entire observatory programme, 'Jagaran' conducted as part of International Day Against Drug Abuse was extremely productive and fruitful. The programme seemed to be successful in achieving its objectives. The student teachers could enhance their own knowledge and awareness regarding drug abuse and its consequences and also enhance the awareness of the school students thereby attempting to create a drug free community. The entire programme was really informative for the school students. Overall, the programme could contribute to the healthy development of individuals and society as a whole.

Empowering Women of the Organisation KAIROS by providing Training in MAT Making at St. Marys Higher Secondary School, Ernakulam

Venue: St. Marys Higher Secondary School, Ernakulam

Date: 12-03-2022

Introduction:

Kairos, a remarkable organization initiated by the college management, stands as a beacon of hope and empowerment for women. As part of its noble mission, St. Joseph College of Teacher Education for Women, Ernakulam, recently organized a training program aimed at empowering ordinary women to create mats from waste clothes. The training was conducted by dedicated student teachers from the Mahatma House, who generously shared their knowledge and skills with these women. This report provides an overview of the initiative, its objectives, and the impact it has had on the women involved.

Objective:

The primary objective of this initiative was to empower women by providing them with a sustainable skill, thereby increasing their economic independence. By teaching them the art of mat preparation from waste clothes, the initiative sought to address both environmental concerns and women's economic empowerment. This creative and eco-friendly approach not only promised a source of income for the women but also contributed to reducing textile waste and promoting sustainability.

Training Process:

The training program was executed by a group of student teachers who are part of the Mahatma House, demonstrating a strong commitment to giving back to the community. They imparted essential skills related to mat preparation, such as selecting appropriate materials, cutting, and stitching techniques. The training sessions were conducted in a conducive and supportive environment, fostering a sense of camaraderie and shared learning. Through

hands-on practice and guidance, the women were encouraged to develop their mat-making skills progressively.

Impact:

Many of these women, who previously had limited economic opportunities, can now generate income by selling the mats they produce. This new found financial independence has not only enhanced their self-esteem but has also empowered them to make important decisions for themselves and their families. Moreover, the eco-friendly aspect of this endeavor has created a sense of responsibility towards environmental sustainability among the participants.

Conclusion:

By teaching them the skill of mat preparation from waste clothes, this initiative has not only improved the lives of these women but has also contributed to a more sustainable and eco-conscious society. It is a testament to the power of education and community engagement in promoting gender equality and environmental responsibility. This initiative serves as an inspiration for further projects aimed at empowering women and protecting our planet.

Expanding Horizons: Empowering Women through Outreach

Mat Preparation

Venue: Ranimatha Public School

Date: 05-03-2022

Initiated by: Tagore House, St. Joseph College of Teacher Education for Women, Ernakulam

Introduction:

The Tagore House at our college, has taken a significant stride towards empowering women through an innovative mat-making program. Following the resounding success of the initial project, an empowering outreach initiative was organized. This report offers a fresh perspective on the program, outlining its distinctive features, objectives, and the impact it has had on women in the new community.

Objective:

The primary objective of this extended outreach program remained empower women through skill development, thereby enhancing their economic independence. It aimed to impart the skill of mat preparation from waste clothes, providing the women with a sustainable source of income and contributing to environmental sustainability.

Training Process:

The training program at the Ranimatha Public School was executed by a dedicated team of student teachers from the Tagore House. These enthusiastic individuals shared their knowledge and skills, covering every aspect of mat preparation, from material selection to cutting and stitching techniques. Like the first program, these sessions were conducted in an inclusive and supportive atmosphere, promoting learning through practical experience. The women participating in the outreach initiative were encouraged to hone their mat-making skills through hands-on practice and guidance.

Impact:

Dr. Alice Joseph
Principal in Charge
St. Joseph College of Teacher

The impact of this extended outreach initiative has been both heartening and transformative. The women from the community, have discovered a newfound source of income through mat preparation. This financial independence has not only improved their self-confidence but has also given them the agency to make significant decisions for themselves and their families. Moreover, the environmental dimension of the project has fostered a sense of responsibility for sustainable living among the participants, influencing them to make eco-conscious choices in their daily lives.

Conclusion:

As witnessed in through the programme, empowering women through mat preparation from waste clothes is a powerful tool for promoting gender equality, financial independence, and environmental sustainability. These initiatives highlight the potential of education and community engagement to create a more equitable and eco-conscious society. It is a testament to the enduring impact of outreach initiatives that inspire positive change in the lives of women and contribute to a greener, more sustainable world. The success of this programme stands as a shining example for future outreach endeavors.

Acquired Immune Deficiency Syndrome is a chronic, perhaps fatal condition brought on by the Human Immunodeficiency Virus (HIV). The HIV weakens the capacity of our body to fight disease and infection by weakening the immune system. The HIV virus attacks and badly damages the immune system of the body of an individual and if not treated on time, could lead to the development AIDS which has no cure until now. It was mentioned in the presentation that the AIDS causing HIV is transmitted mainly via two means, firstly, through anal or vaginal sex, or when people share syringes, needles, or other drug injection tools. Secondly, via unprotected or risky sexual practices with someone who has been identified as HIV- positive. Only direct contact with specific bodily fluids, including blood, semen, pre-seminal fluid, rectal fluids, vaginal fluids and breast milk from an HIV-positive person with a detectable viral load can result in HIV infection.

A poster making competition was also held on the same day with the theme, 'End Inequalities, End AIDS'. An E-brochure regarding the competition was circulated among the student teachers in the college which was well coordinated by Ms. Dona K Jose, student teacher from Social Science optional, who is one among the Anti-Narcotic club members. Many student teachers from various optional actively participated in the poster making competition. All of the student teachers from Malayalam optional contributed in the competition who received special attention via their active participation and contribution. The competition results were announced on the same day based on the judgment of Dr. Soya Mathew, Assistant Professor at St. Joseph College of Teacher Education for Women, Ernakulam. The first and second prize for the competition was secured by Ms. Akhitha Sebastian from Natural Science optional and Ms. Jayalakshmi Jayakumar from Malayalam optional respectively. The third prize for the poster making competition was shared by Ms. Shalini from Natural Science optional and Ms. Rose Mary Paul from Social Science optional.

With an overt aim of raising awareness about HIV/AIDS, its causes and prevention. The Anti-Narcotics club of St. Joseph College of Teacher Education for Women, Ernakulam also organized and carried out a street play with the title 'JAGARAN'. The Anti-Narcotic club student members performed the street play in the college itself with the aim of conveying message using various posters and banner regarding the importance of observing world AIDS day to the students and teachers in the college. All of the 15 members of the Anti-Narcotics club took part in the street

play and the play was coordinated by Ms. Liya Baby and Ms. Pranaya P.M, students teachers from Malayalam optional. After the performance at the college, the student did performed the street play at St. Mary's Convent Girls' Higher Secondary School, Ernakulam. The students and teachers at the school were indeed cooperative and appreciable of the street play enacted before them.

The World AIDS day programme conducted by St. Joseph College of Teacher Education for Women, Ernakulam possessed with the following advantages:

- ✦ raise awareness among the student groups and community on HIV/AIDS, its causes and preventive measures
- ✦ contribute to the efforts of the world in fighting against social stigma and aversion prevailing in the society against HIV-positive people
- ✦ bring out talents and skills of student teachers in preparing posters regarding AIDS along with promoting their critical thinking ability

The whole programme turned out to be fruitful and successful in accomplishing its objectives and in imparting information to the community. The programme winded up with National Anthem.

Jagaran Webinar Series-1

‘Healthy Use of Mobile Phones: Role of Parents ‘

Programme Report

The Anti-Narcotic club in association with the IQAC cell of St Joseph College of Teacher Education for Women, Ernakulam under their initiative ‘Jagaran’, organized a webinar series on ‘Healthy Use of Mobile Phones: Role of Parents’ in four different sessions for parents of students studying in various high schools in Ernakulam. The schools for which the webinar series are conducted are the practice teaching schools of St. Joseph College of Teacher Education for Women, Ernakulam. The first session of the webinar series was conducted for parents of students in GVHSE, North Edappally, Ernakulam and St. Joseph HSS, Koonammavu in Ernakulam. Dr. Alice Joseph, principal at St Joseph College of Teacher Education for Women, Ernakulam delivered the official welcome address for the event. The webinar series was inaugurated by Shri. Ashok Kumar T.A, Deputy Excise Commissioner, Ernakulam. The webinar session was conducted via Google Meet from 7.30 PM to 9.00 PM on 14th November 2020. The resource person for the webinar was Shri. Jayaraj P.K, Excise Circle Inspector, Kollam. A total of 84 parents participated in the webinar.

Content of the webinar:

- ✦ Effects of unhealthy usage of mobile phones among children
- ✦ Significance of healthy usage of mobile phones
- ✦ Guidance to parents on monitoring their child’s mobile phone usage
- ✦ Role of parents in protecting children from potential dangers posed by unhealthy usage of mobile phones

Shri. Jayaraj P.K, the resource person for the webinar emphasized the role that parents have on children’s healthy usage of mobile phones. In the present era, mobile phones and internet has become a part and parcel of an individual’s life. Everything turning into digitalized mode including communication, work even education, mobile phones has got its own importance. Due to the Covid-19 pandemic and shifting from physical learning from schools to online learning at home, children have high access to mobile phones. The usage of mobile phone among children are seemed to be increased more than ever in the recent years. The mobile phone usage among children

has its own advantages and possible harms. A healthy usage of mobile phones among children are to be promoted. Otherwise, it could lead to many social evils like drug abuse, cybercrimes etc. Shri. Jayaraj enunciated that unhealthy usage of mobile phones among children can have many negative impacts in them including declined academic performances, game addictions, drug abuse and lack of communication with others etc. Shri. Jayaraj emphasized, it is one of the critical roles of a parent to ensure healthy usage of mobile phones among their children. Healthy usage of mobile phones can ensure children positive physical, social, emotional and mental health. Proper monitoring, usage of parental control to prevent children from using inappropriate apps and contents on mobile phones, healthy and good communication between parent and child are some of the important factors that can prevent children from being trapped in the evil side of the mobile phones and can instill a healthy mobile phone usage among children. Shri. Jayaraj also reminded all of the parents that they should be very careful in terms of usage of mobile phones. For guiding their child, they need to become a healthy user of mobile phones first. Sometimes, the parents themselves are responsible for their child's problems.

The whole session turned out to be successful in accomplishing its objectives. The session could generate awareness among the parents regarding the healthy usage of mobile phones. The key takeaways of parents who participated in the webinar were as follows:

- ✚ Equipped with adequate technical knowledge and skills so as to prevent unhealthy mobile phone usage among their children
- ✚ Got informed about various negative impacts of unhealthy mobile phone usage
- ✚ Role clarity in helping their children by promoting healthy mobile phone usage behavior

The webinar was an informative and fruitful one which had its own relevance in the current digitalized world. The webinar winded up at 9.00 PM with the vote of thanks delivered by Mrs. Smitha Jose, Assistant Professor, St Joseph College of Teacher Education for Women, Ernakulam.

Jagaran Webinar Series-2

'Role of Parents in the Healthy Use of Mobile Phones'

Programme Report

The Anti-Narcotic club in association with the IQAC cell of St Joseph College of Teacher Education for Women, Ernakulam under their initiative 'Jagaran', organized a webinar series on 'Healthy Use of Mobile Phones: Role of Parents' in four different sessions for parents of students studying in various high schools in Ernakulam. The schools for which the webinar series are conducted are the practice teaching schools of St. Joseph College of Teacher Education for Women, Ernakulam. The second session of the webinar series was conducted for parents of students in Rani Matha Public School in Ernakulam. The webinar session was conducted via Google Meet from 7.30 PM to 9.00 PM on 22nd November 2020. Dr. Hemaletha P.K, Assistant Professor in Social Science Education at St Joseph College of Teacher Education for Women, Ernakulam delivered the welcome speech for the programme. The resource person for the webinar was Shri. Jayaraj P.K, Excise Circle Inspector, Kollam. A total of 65 parents participated in the online webinar.

Content of the webinar:

- ✦ Effects of unhealthy usage of mobile phones among children
- ✦ Significance of healthy usage of mobile phones
- ✦ Guidance to parents on monitoring their child's mobile phone usage
- ✦ Role of parents in protecting children from potential dangers posed by unhealthy usage of mobile phones

Shri. Jayaraj P.K, the resource person for the webinar emphasized the role that parents have on children's healthy usage of mobile phones. In the present era, mobile phones and internet has become a part and parcel of an individual's life. Everything turning into digitalized mode including communication, work even education, mobile phones has got its own importance. Due to the Covid-19 pandemic and shifting from physical learning from schools to online learning at home, children have high access to mobile phones. The usage of mobile phone among children are seemed to be increased more than ever in the recent years. The mobile phone usage among children

Education for Women,
Ernakulam

has its own advantages and possible harms. A healthy usage of mobile phones among children are to be promoted. Otherwise, it could lead to many social evils like drug abuse, cybercrimes etc. Shri. Jayaraj enunciated that unhealthy usage of mobile phones among children can have many negative impacts in them including declined academic performances, game addictions, drug abuse and lack of communication with others etc. Shri. Jayaraj emphasized, it is one of the critical roles of a parent to ensure healthy usage of mobile phones among their children. Healthy usage of mobile phones can ensure children positive physical, social, emotional and mental health. Proper monitoring, usage of parental control to prevent children from using inappropriate apps and contents on mobile phones, healthy and good communication between parent and child are some of the important factors that can prevent children from being trapped in the evil side of the mobile phones and can instill a healthy mobile phone usage among children. Shri. Jayaraj also reminded all of the parents that they should be very careful in terms of usage of mobile phones. For guiding their child, they need to become a healthy user of mobile phones first. Sometimes, the parents themselves are responsible for their child's problems.

The whole session turned out to be successful in accomplishing its objectives. The session could generate awareness among the parents regarding the healthy usage of mobile phones. The key takeaways of parents who participated in the webinar were as follows:

- ✦ Equipped with adequate technical knowledge and skills so as to prevent unhealthy mobile phone usage among their children
- ✦ Got informed about various negative impacts of unhealthy mobile phone usage
- ✦ Role clarity in helping their children by promoting healthy mobile phone usage behavior

The webinar was an informative and fruitful one which had its own relevance in the current digitalized world. The webinar wined up at 9.00 PM with the vote of thanks delivered by Sicily A.A, Assistant Professor in Malayalam Education St Joseph College of Teacher Education for Women, Ernakulam.

Following were few suggestions that came as outcome of the meeting:

Dr. Rosamma Lukose, Director of St. Josephs Public School Narakkal , affiliated to Central board of Secondary Education, presented the status of practise teaching by B.Ed teacher Trainees.

“As you all know the purpose of teaching practice is to provide the teacher trainees with an opportunity to apply their pedagogical knowledge and skills in practice. It provides an opportunity to learn from work experience in the work place and it place a vital role in deciding the teacher effectiveness.

Every year our school receives 2or 3 teacher trainees for teaching practice. By completing 30 or 40 days of teaching practice they go back to their institution with a sense of satisfaction and professional skills.

During this period they are being evaluated ,

- How they impart knowledge and skills of their subject effectively.
- How they relate to both teaching and non-teaching staff and to students they teach.
- How they participate in extra curricular activities and other issues relating to school.

There will be one supervising teacher in charge of teacher trainees. The role of the supervising teacher is to help the student teacher to improve their own teaching by giving feed back as and when required. and this will help in knowing their positive and negative areas observed in their practising lessons and there by improving their teaching competency behaviour pattern and life skills

It is observed that at the beginning, the trainees face certain challenges like

- Planning the lesson
- Maintaining class management and control.
- Lack of facilities in school
- Poor method of teaching
- Ineffective usage of teaching aids
- Adjustment with the working time table of the school
- Finishing the task of 40 lesson plans and maintaining written records
- Their own workload
- Fear of being observed by the supervisor
- Fear of facing students and answering their questions

But gradually they acquaint with all these things

Sometimes it is observed that

- trainees do not exhibit mastery of the subject matter in their respective subjects
- Some of them participate in school activities only if assigned to them
- They do not become familiar with school routine
- Do not practice modern methods and techniques other than lecture demonstration

I would like to highlight certain points as recommendations

- Teacher educators do not consider teaching practice as a semester wise routine prescribed by the teacher training institutes instead prepare them to face the challenges ahead in actual work place.
- Teacher training institutions should develop appropriate teaching standard and guidelines for teaching practice
- more time should be devoted in the college by student teachers in learning and applying skill under mock conditions

- Lesson planning can be made flexible
- A workshop can be held by faculty members of the college for supervising teachers of the school before student teacher leave for practise
- The idea of team work should be instilled in teacher trainees so that they support one another
- The emphasis should be on quality teaching rather than completing the lessons
- Teacher trainees do not expected to be competent teachers until towards the end of the practice teaching
- Keep up to date with their own subject
- Trainees should be smart and appropriately dressed at all time

In my opinion If we follow these points teaching practice could be effective and an enjoyable experience"- said Dr. Rosamma Lukose.

TEACHER TRAINEES AND PRESENT SCHOOL SYSTEM

The field of education is undergoing tremendous changes , both positive and negative. In the field of school education the changes are quite vivid. Is our teacher training curriculum and the practice sessions are equipped to meet the changing needs of school education ? Following are few of my humble suggestions for the teacher education institutions and the students of the B Ed programme.

- The role of school teachers has changed from just a teacher to a multitasker, teaching is one task among them, realise this first.
- In the main stream schools you wont be getting a training or formal instructions on the duties entrusted upon you, its like you are pushed into the water and you learn swimming as by yourself.
- A teacher is a clerk, cashier, stock book or registers keeper , a doctoretc etc. plus all those you studied in your B Ed programme in the Role of a teacher.
- Our school follows inclusive education as well so be ready to be a SPECIAL teacher.
- IT is better if you are proficient in Multiple languages like Hindi , Bengali ,Tamil ,Orya and the like apart from English because you will have to face a multi india in our schools.
- You will most probably encounter more than one or two children of deviant behavior in a single class. Be ready for that when you enter a school for teaching practice or for pursuing a career as a school teacher.
- Aware of the fact that Children have more rights than teachers. So any complaint against you as a teacher can cost you much that you ever anticipate. So a good knowledge regarding children's rights will be an added advantage. It doesn't mean that you should keep yourself away from the duties expected from you as a teacher.
- It is better if you are trained in self confidence boosting techniques. That will help you to cope with the situation.
- Our schools for the holistic development of students undertake various projects and programmes like NCC ,GSC ,JRC ,ORC , and the like along with the old ones . Teachers will be given charge for the same whether they like it or not.
- There are charges of the school society , non meal programme ,library , numerous labs including the computer lab. You need to maintain the records ,accounts ,etc and present the same without any defect in front of the officials who come for inspection of the same.
- Develop a body language that boosts your confidence and calms as a teacher so that students learn to be self disciplined in your presence. Remember the fact that you are not supposed to give them punishments.

The above mentioned suggestions are only a few that I learned as a teacher and a teacher educator from my 18 yrs of service. I think it will be beneficial for the aspiring young teachers , teacher trainees and teacher educators , wishing you all the best

**EDU 302.4 : CLASS ON DIFFERENT ART
FORMS AND CULTURAL
HERITAGE OF INDIA**

A 20 minute class was recorded on the topic 'Different Art Forms'. I have included five different art forms like Kathakali, Mohiniyattom, Ottamthullal, Theyyam and Padayani. The history of art forms, its makeup and some other specialities were mentioned in the video. The video was made attractive by including the pictures of each art form. The video was recorded on 30/10/2020.

It made me aware of the rich traditional art forms. Eventhough I know about those artforms, I was not aware of the materials used for the makeup. I searched a lot to understand more about the selected artforms.

DRAMA &
ART

Radical

A part of B.Ed curriculum all the students were supposed to take a class on different art forms and cultural heritage of India. Each student should take any topic related to art form. I chose the topic, folk paintings. The main theme was based on 10 paintings. At the end of the class, the method of painting walls on bottles was shown.

I was able to seek deep in the story of paintings that no one usually notices. The radical side of the theory explained was a good side of the class.

EDU 3024-DRAMA & ART IN EDUCATION - Different Art forms

Art education refers to learning, instruction, programming upon the visual and tangible arts. Art education includes performing arts like dance, music, theatre and visual arts like drawing, painting, sculpture and design work. As part of our curriculum, we were asked to conduct a class on different art forms. Under the guidance of Dr. Herralettha P.K. and Dr. Joby Joy Kurian, I had prepared a video lecture on the art forms of Kerala like Kathakali, Kalaripayattu, Mohiniyattam, and many more. With the help of this practical work, I was able to know more about different art forms of Kerala.

Class on Different Art Forms and Cultural Heritage of India

Introduction: Art Forms

India has always been known as the land that preserved cultural and traditional values. Through the centuries, it has produced a rich and diverse art form. In India, the art form and culture are not just a part of the life, but they are the soul of the nation. The art form is a reflection of the life and the culture of the people. It is a way of expressing the feelings and the thoughts of the people. It is a way of communicating with each other and with the world.

Diagnostic Testing and Remedial Programmes Conducted in Schools

EDU 302.2

Diagnostic Test

(Practical)

Chapter - Polygon

Topic : Regular polygons

Standard : VIII

Date of Execution : 01/11/2020

No of Response : 5

I learned how to organize the diagnostic test. I also learned the difference between achievement test and diagnostic test. This work also help me to provide further remedial measures for students. Due to covid pandemic remedial measures cannot be given to students.

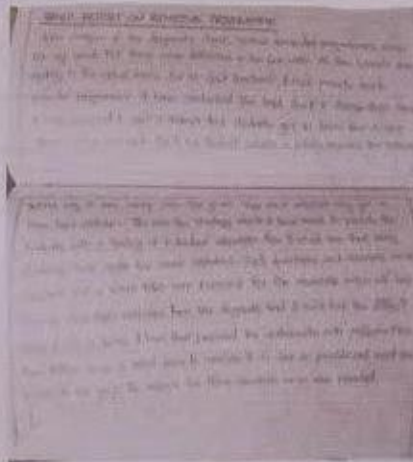

Shiraj
Principal in Charge
St. Joseph College of Teacher
Education for Women,
Ernakulam

INTERPRETATION

The diagnostic test was conducted for 20 marks for 8C students of St. Philomena H.S.S koonammavu. It was conducted on 21/11/2020. The question paper contains 20, one mark questions from the topic Product of sums. A total of 20 students responded. It was also provided to them through Google form.

By conducting the test, I could find the students who are weak and provide them with necessary remedial measures. Video classes and worksheets were made more simple for them.

Radical

The diagnostic test to analyse the ability of the students in solving problems were part of the 8th edition of the chapter chosen was 'Isotopes'. The test were administered to 200 students. The test were conducted for 40 students out of which 20 students answered the test. The question paper contained 20 questions each of 1 mark.

The test helped me to understand a lot of things. The main reason behind the problem was students inability to apply fundamental rules. This helped me to change the way of teaching that I followed.

EDU 302.2 - PEDAGOGIC Diagnostic Test

Diagnostic Test are conducted to diagnose the problem or issues related to learning. It was also conducted under the guidance of Dr. Joby Joy Kurian. I had prepared a tool for conducting the diagnostic test, after needed corrections, I conducted diagnostic test through whatsapp on 27th Nov, 2020. Students actively responded for the same.

This practical work enabled me to understand about how to execute a diagnostic test and choose remedial programs according to the diagnosed learning difficulties.

Programme Report

Inauguration (Day 1) (April 17, 2023)

Forenoon Theme Sessions (Session 1: 09:30 AM - 11:00 AM; Session 2: 11:10 AM - 12:40 PM)

The inaugural meeting of the international virtual conference on *Nuances in Social Science Research Methodology, Academic Writing, and Reference Management: An Exploration* was an impressive gathering of distinguished academicians. Sr. Dr. Alice Joseph, Principal of St. Joseph College of Teacher Education for Women, Ernakulam, set the tone with a warm welcome address. Presiding over the meeting was Dr. Rajan Varughese, Member Secretary of The Kerala State Higher Education Council, who highlighted the significance of the conference's theme in the current academic landscape. Prof. (Dr). Sabu Thomas, Vice-Chancellor of Mahatma Gandhi University, Kottayam, officially inaugurated the conference and delivered a keynote speech on "The Significance and Methods of Research Publication", providing invaluable insights into scholarly publishing. The conference was further graced by Dr. Shajila Beevi S., Convenor of the Syndicate Standing Committee on Research & Development, Mahatma Gandhi University, Kottayam, and Fr. Dr. Benny K. John CSC, Principal of Holy Cross College, Agartala, who extended their felicitations. The vote of thanks was proposed by Dr. Bindu Joseph, the Conference Coordinator and Assistant Professor at St. Joseph College of Teacher Education for Women, Ernakulam, effectively concluding the inaugural session on a high note.

Day 2 Schedule and Report (April 18, 2023)

Forenoon Theme Sessions (Session 1: 09:30 AM - 11:00 AM; Session 2: 11:10 AM - 12:40 PM)

On the 2nd day of the conference, the forenoon theme sessions were handled by Dr. Johnson Jament. He delivered a comprehensive lecture encompassing two fundamental themes in academic research: "Methodological Foundations of the Research Process" and "Inclusive Research." He commenced with an exploration of the research process, elaborating on its stages – from the formulation of a research question, literature review, and methodology selection to data collection, analysis, interpretation, and eventually, reporting the results. Dr. Jament underscored the importance of choosing a methodological approach congruent with the research question and emphasized the role of scientific rigor and ethical considerations in all stages of the process. Shifting focus to "Inclusive Research," he advocated for participatory research paradigms that promote the active involvement of marginalized and underrepresented groups in the research process, both as subjects and co-creators of knowledge. He elucidated that inclusive research not only facilitates more equitable research practices but also enriches academic inquiries by incorporating diverse perspectives.

The afternoon session was for presenting papers. Faculty members, research scholars, and postgraduate students were divided into 10 Zoom rooms.

Day 3 Schedule and Report (April 18, 2023)

Forenoon Theme Sessions (Session 1: 09:30 AM - 11:00 AM; Session 2: 11:10 AM - 12:40 PM)

In the forenoon theme session, Mr. V Sriram conducted an insightful lecture on "Menace of Plagiarism in the Era of AI: How to be on the Safer Side?" and "Significance and Challenges of Reference Management and Open-Source Tools (Zotero)." In the first part of his lecture, he outlined the rising threat of plagiarism in the age of artificial intelligence (AI), emphasizing how easy access to vast online information and AI-driven paraphrasing tools can inadvertently lead to plagiarism. He suggested strategies to avoid this pitfall, including rigorous citation practices, utilising plagiarism detection software, and nurturing a strong understanding of the concept and consequences of plagiarism. Transitioning to reference management, Mr. Sriram illuminated the significance of effective reference management in maintaining the integrity and quality of academic work. He outlined the challenges researchers face, such as keeping track of numerous sources and citing them correctly. He then introduced open-source tool Zotero that can help in overcoming these challenges. By effectively managing and automating citations, Zotero not only simplifies the referencing process but also significantly reduces the likelihood of errors or accidental plagiarism. Overall, Mr. Sriram's lecture provided practical advice on navigating contemporary challenges in academic writing and reference management. The afternoon session was for presenting papers. Faculty members, research scholars, and postgraduate students were divided into 4 Zoom rooms.

CONCLUSION

- The Kerala government has taken steps to encourage students to develop innovative ideas from an early age, including the establishment of Innovation and Entrepreneurship Development Centres for Colleges (IEDC), the Young Innovator Program (YIP), Programs for Incubation and Acceleration, and Corporate Innovation.
- This will be one of the most effective methods for boosting startup activity in the state and developing countries like India.
- This study aims to assess the role of start-ups in Kerala State's entrepreneurial growth.
- It also tries to find out how technology business incubation centres in Kerala were helping start-ups in the state.
- The result indicated that startup founders are highly satisfied by the facilities provided by the incubators in Kerala for entrepreneurship development.

Day 2 Schedule and Report (April 18, 2023)

Forenoon Theme Sessions (Session 1: 09:30 AM - 11:00 AM; Session 2: 11:10 AM - 12:40 PM)

On the 2nd day of the conference, the forenoon theme sessions were handled by Dr. Johnson Jament. He delivered a comprehensive lecture encompassing two fundamental themes in academic research: "Methodological Foundations of the Research Process" and "Inclusive Research." He commenced with an exploration of the research process, elaborating on its stages – from the formulation of a research question, literature review, and methodology selection to data collection, analysis, interpretation, and eventually, reporting the results. Dr. Jament underscored the importance of choosing a methodological approach congruent with the research question and emphasized the role of scientific rigor and ethical considerations in all stages of the process. Shifting focus to "Inclusive Research," he advocated for participatory research paradigms that promote the active involvement of marginalized and underrepresented groups in the research process, both as subjects and co-creators of knowledge. He elucidated that inclusive research not only facilitates more equitable research practices but also enriches academic inquiries by incorporating diverse perspectives.

The afternoon session was for presenting papers. Faculty members, research scholars, and postgraduate students were divided into 10 Zoom rooms.

Day 3 Schedule and Report (April 18, 2023)

Forenoon Theme Sessions (Session 1: 09:30 AM - 11:00 AM; Session 2: 11:10 AM - 12:40 PM)

In the forenoon theme session, Mr. V Sriram conducted an insightful lecture on "Menace of Plagiarism in the Era of AI: How to be on the Safer Side?" and "Significance and Challenges of Reference Management and Open-Source Tools (Zotero)." In the first part of his lecture, he outlined the rising threat of plagiarism in the age of artificial intelligence (AI), emphasizing how easy access to vast online information and AI-driven paraphrasing tools can inadvertently lead to plagiarism. He suggested strategies to avoid this pitfall, including rigorous citation practices, utilising plagiarism detection software, and nurturing a strong understanding of the concept and consequences of plagiarism. Transitioning to reference management, Mr. Sriram illuminated the significance of effective reference management in maintaining the integrity and quality of academic work. He outlined the challenges researchers face, such as keeping track of numerous sources and citing them correctly. He then introduced open-source tool Zotero that can help in overcoming these challenges. By effectively managing and automating citations, Zotero not only simplifies the referencing process but also significantly reduces the likelihood of errors or accidental plagiarism. Overall, Mr. Sriram's lecture provided practical advice on navigating contemporary challenges in academic writing and reference management. The afternoon session was for presenting papers. Faculty members, research scholars, and postgraduate students were divided into 4 Zoom rooms.

CONCLUSION

- The Kerala government has taken steps to encourage students to develop innovative ideas from an early age, including the establishment of Innovation and Entrepreneurship Development Centres for Colleges (IEDC), the Young Innovator Program (YIP), Programs for Incubation and Acceleration, and Corporate Innovation.
- This will be one of the most effective methods for boosting startup activity in the state and developing countries like India.
- This study aims to assess the role of start-ups in Kerala State's entrepreneurial growth.
- It also tries to find out how technology business incubation centres in Kerala were helping start-ups in the state.
- The result indicated that startup founders are highly satisfied by the facilities provided by the incubators in Kerala for entrepreneurship development.

Programme Report

Inauguration (Day 1) (April 17, 2023)

Forenoon Theme Sessions (Session 1: 09:30 AM - 11:00 AM; Session 2: 11:10 AM - 12:40 PM)

The inaugural meeting of the international virtual conference on *Nuances in Social Science Research Methodology, Academic Writing, and Reference Management: An Exploration* was an impressive gathering of distinguished academicians. Sr. Dr. Alice Joseph, Principal of St. Joseph College of Teacher Education for Women, Ernakulam, set the tone with a warm welcome address. Presiding over the meeting was Dr. Rajan Varughese, Member Secretary of The Kerala State Higher Education Council, who highlighted the significance of the conference's theme in the current academic landscape. Prof. (Dr). Sabu Thomas, Vice-Chancellor of Mahatma Gandhi University, Kottayam, officially inaugurated the conference and delivered a keynote speech on "The Significance and Methods of Research Publication", providing invaluable insights into scholarly publishing. The conference was further graced by Dr. Shajila Beevi S., Convenor of the Syndicate Standing Committee on Research & Development, Mahatma Gandhi University, Kottayam, and Fr. Dr. Benny K. John CSC, Principal of Holy Cross College, Agartala, who extended their felicitations. The vote of thanks was proposed by Dr. Bindu Joseph, the Conference Coordinator and Assistant Professor at St. Joseph College of Teacher Education for Women, Ernakulam, effectively concluding the inaugural session on a high note.

Day 2 Schedule and Report (April 18, 2023)

Forenoon Theme Sessions (Session 1: 09:30 AM - 11:00 AM; Session 2: 11:10 AM - 12:40 PM)

On the 2nd day of the conference, the forenoon theme sessions were handled by Dr. Johnson Jament. He delivered a comprehensive lecture encompassing two fundamental themes in academic research: "Methodological Foundations of the Research Process" and "Inclusive Research." He commenced with an exploration of the research process, elaborating on its stages – from the formulation of a research question, literature review, and methodology selection to data collection, analysis, interpretation, and eventually, reporting the results. Dr. Jament underscored the importance of choosing a methodological approach congruent with the research question and emphasized the role of scientific rigor and ethical considerations in all stages of the process. Shifting focus to "Inclusive Research," he advocated for participatory research paradigms that promote the active involvement of marginalized and underrepresented groups in the research process, both as subjects and co-creators of knowledge. He elucidated that inclusive research not only facilitates more equitable research practices but also enriches academic inquiries by incorporating diverse perspectives.

The afternoon session was for presenting papers. Faculty members, research scholars, and postgraduate students were divided into 10 Zoom rooms.

Day 3 Schedule and Report (April 18, 2023)

Forenoon Theme Sessions (Session 1: 09:30 AM - 11:00 AM; Session 2: 11:10 AM - 12:40 PM)

In the forenoon theme session, Mr. V Sriram conducted an insightful lecture on "Menace of Plagiarism in the Era of AI: How to be on the Safer Side?" and "Significance and Challenges of Reference Management and Open-Source Tools (Zotero)." In the first part of his lecture, he outlined the rising threat of plagiarism in the age of artificial intelligence (AI), emphasizing how easy access to vast online information and AI-driven paraphrasing tools can inadvertently lead to plagiarism. He suggested strategies to avoid this pitfall, including rigorous citation practices, utilising plagiarism detection software, and nurturing a strong understanding of the concept and consequences of plagiarism. Transitioning to reference management, Mr. Sriram illuminated the significance of effective reference management in maintaining the integrity and quality of academic work. He outlined the challenges researchers face, such as keeping track of numerous sources and citing them correctly. He then introduced open-source tool Zotero that can help in overcoming these challenges. By effectively managing and automating citations, Zotero not only simplifies the referencing process but also significantly reduces the likelihood of errors or accidental plagiarism. Overall, Mr. Sriram's lecture provided practical advice on navigating contemporary challenges in academic writing and reference management. The afternoon session was for presenting papers. Faculty members, research scholars, and postgraduate students were divided into 4 Zoom rooms.

CONCLUSION

- The Kerala government has taken steps to encourage students to develop innovative ideas from an early age, including the establishment of Innovation and Entrepreneurship Development Centres for Colleges (IEDC), the Young Innovator Program (YIP), Programs for Incubation and Acceleration, and Corporate Innovation.
- This will be one of the most effective methods for boosting startup activity in the state and developing countries like India.
- This study aims to assess the role of start-ups in Kerala State's entrepreneurial growth.
- It also tries to find out how technology business incubation centres in Kerala were helping start-ups in the state.
- The result indicated that startup founders are highly satisfied by the facilities provided by the incubators in Kerala for entrepreneurship development.

Programme Report

St. Joseph College of Teacher Education for Women, Ernakulam organized a Programme on '*Advanced MS Excel for Office*' on 18th and 19th of November 2022 from 10.00 AM to 3.00 PM at the college ICT lab. The programme was organized for the non-teaching staff members of St. Joseph College of Teacher Education for Women, Ernakulam.

Dr. Alice Joseph
Principal in Charge
St. Joseph College of Teacher
Education for Women,
Ernakulam

The major purpose of organizing the programme was to enhance the knowledge and competence of the staff members and help them acquire specific skills to perform well in their duties and thereby promote productivity and effective functioning of the institution. Jincy Joseph, UGC Librarian and Rincy V.D, LD Computer Assistant at St. Joseph College of Teacher Education for Women, Ernakulam were the coordinators of the programme. The resource person was Mr. Eldho Kuriakose, Assistant professor and Head of the Department of Commerce at St. Peter's College in Kolenchery, Kerala. A total of 8 non – teaching staff from St. Joseph College of Teacher Education for Women, Ernakulam participated in the programme.

The programme on 'Advanced MS Excel for Office' started exactly at 10.00 AM at the college ICT lab. The programme began with prayer. The prayer was succeeded by the welcome speech delivered by Ms. Rincy V.D, LD Computer Assistant at St. Joseph College of Teacher Education for Women, Ernakulam. Ms. Rincy V.D officially welcomed all of the participants. The presidential address for the programme was delivered by Dr. Alice Joseph, Principal at St. Joseph College of Teacher Education for Women. Dr. Alice Joseph enunciated the relevance of the topic for the programme, 'Advanced MS Excel for Office'. She explained that the present topic would contribute to the enhancement of the knowledge and skills of the staff members. The knowledge they receive via the programme would help them to excel in their administrative duties and tasks which would then enhance the efficiency and effective functioning of the entire institution. Thus, both the non – teaching staff and the institution will be benefitted from the programme. Dr. Alice Joseph reminded all of the staff members to utilize the programme effectively. After the presidential address delivered by the principal, the session was started by the resource person, Mr. Eldho Kuriakose. The resource person started the session with the explanation on basic MS Excel and the advanced MS Excel and the difference between these two. The MS Excel is a widely used spreadsheet programme. A software programme called Microsoft Excel was created by Microsoft. It mostly consists of tabs, command groups, and spreadsheets. It keeps the data in tabulated form and gives users the option to manipulate it. It is an office use application created by Microsoft. Other Microsoft programmes including PowerPoint, Word, Outlook, Access, and OneNote are included in the Office Suite. Both the Windows and the Mac operating systems support it. Microsoft Excel is one among the best spreadsheet tools for storing and representing data in a tabular format, managing and manipulating data, creating charts using optical logic, and more. Excel gives a worksheet to create a new document. The Excel file can be saved with the.xls extension. The

Dr. Alice Joseph
Principal in Charge

Education for Women,
Ernakulam

excel spreadsheet has several features which will make users tasks more manageable. The major features include, auto format, auto sum, list auto fill, auto fill, auto shapes, wizard, charts, pivot table and shortcut menus.

Advanced Excel 'Functions' refers to the tools and capabilities of Microsoft Excel that enable users to carry out complex computations, analyze the data, and do a lot more. Some of the advanced excel functions include goal seek, what-if analysis with solver, If- Else, If- Error, pivot tables, excel VBA, index and match and offset function. With the help of the built-in Goal Seek function in Advanced Excel Functions, users can modify the assumptions to obtain the desired result. The procedure relies on the trial-and-error approach to produce the desired outcome. What-if analysis is a technique used in Advanced Excel that involves modifying the values to test out various situations for calculations. Some or all of these Advanced Excel calculations can employ numerous alternative sets of values to experiment with various results. The best tool for what-if analysis is a solver. It is a Microsoft Excel add-in tool and is beneficial on numerous levels. In the cell referred to as the objective cell, the feature can be utilized to determine the best value for a formula. However, some restrictions or limitations apply to the values of other formula cell formulas on a worksheet. The formulations in the constraint and objective cells are computed by the solver using a set of cells called decision variables. What-if analysis in advanced excel is the process of altering data to test out various situations for calculations. One or more of these can employ several various sets of values. When working with constraint cell limitations, the solver modifies the values of decision variable cells. The objective cell's desired outcome can be ascertained using this procedure. When a condition is tested using the If-Else function, a value is returned if the condition is found to be true and a different value, if it is found to be false. When a formula produces an error, the Excel If Error function returns an alternative result; otherwise, it returns the expected result. A pivot table is another function of advanced excel. In essence, a pivot table is an Excel data summarizing tool that enables users to quickly report on and investigate trends based on information. Using the drag and drop functionality of the pivot table and the appropriate functions inside, users may create section-wise summaries. Excel VBS or Excel Visual Basic Analysis. Microsoft's event-driven scripting language for Office programme is Excel VBA. Most people who develop VBA code do so by using macros. Another advanced excel function is index and match. The index function will return a specific value that is existent in a uni-dimensional range, whereas the match function returns the position of a value within a given range.

The programme on, 'Advanced MS Excel for Office', was extremely fruitful. The

participants could enhance their knowledge base and competence in the area of technical administration duties. The entire session wined up at 3.00 PM with the vote of thanks delivered by Rincy V D, LD Computer Assistant at St. Joseph College of Teacher Education for Women, Ernakulam.

Programme Report

The programme on *Understanding the Dynamics of Extension Services* as part of Professional Development Programme organized by the IQAC of St. Joseph college of Teacher Education was conducted on *19th and 20th September 2022* from 10.00 AM to 3.00.P.M. The programme began with a prayer song by Ms. Reshmi R K and Ms. Dinimol Jacob Assistant Professor, welcomed the Resource persons and the participants. The resource persons of the day Dr Sheena Rajan Philip, HOD Bharata Mata School of Social Work, Bharata Mata College Thrikkakara, & Mr. Tony M Tom, Assistant Professor and Project Head, Bharata Mata College Thrikkakara led a very interactive session. The content delivery was supplemented with power point presentations.

Dr. Alice Joseph
Principal in Charge
St. Joseph College of Teacher
Education for Women,
Ernakulam

Content of the Seminar:

- ✚ Understanding the meaning of Extension Services
- ✚ Difference between Out Reach Activity an Extension Services
- ✚ NGO'S in the field of Extension
- ✚ Steps to be followed while conducting an extension service

The first session was handled by Dr. Sheena Rajan Philip. She gave a brief idea about the meaning extension services in the teacher education scenario. She also gave an awareness about how extension activity differs from outreach activity. After a short break a second session begun and it was handled by Tony M. Tom, Assistant Professor and Project head of Bharata Mata College, Thrikkakra, Cochin. In this session he stressed the significance of NGOs in the field of extension. After lunch break, he continued the topic steps of conducting an extension service.

The session was an interactive one, with the participants being asked to share their views and opinions. After the delivery of the content time was given to the faculty to clear their doubts. The Professional Development Programme helped the faculty to have following as take away points:

- ✚ Extension Services to be planned and implemented systematically
- ✚ Both Outreach and Extension services are services rendered to the society. Outreach includes all those activities that we do as part of charity. Extension services is the service extended based on the need of the locality and for its betterment.
- ✚ NGO's can be approached for carrying out extension services.

The session ended at 3.00 PM with the Vote of thanks by Rosy Tintu M P. Feedback was collected from the faculty and analyzed.

Community Engagement Camp in Collaboration with Tribal Extension Office and Forest Department, Peerumedu

Community engagement camps are a significant means of bringing people together and create a sense of community among them. It provides a chance to a group of people to collaborate on initiatives that enhance the quality of a particular community. These camps in a way provide a platform for people to learn about each other, build relationships, and create a sense of unity. Furthermore, by providing a forum for discussion about the community problems and to work on their solutions, it creates a sense of understanding and empathy among different groups.

COMMUNITY ENGAGEMENT CAMP

Place: Vandiperiyar, Idukki

Date: 16/12/22 to 19/12/22

No. of Participants: 26 B. Ed Students & 2 Teachers

Organised by: St. Joseph College of Teacher Education for Women, Ernakulam.

Facilitators: Mr. Tony & Mrs. Jeena Tony

St. Joseph College of Teacher Education for Women, Ernakulam organised a four-day camp at vandiperiyar in the Idukki district from December 16 to December 19 as a part of its community engagement programme. The camp included twenty participants and two teachers. The camp members attended several meetings where the guidelines for the camps were discussed. To improve communication among the members, Dr. Sr. Betty P J started a Whatsapp group on November 11th, 2022. As part of the safety measure, participants and their parents were requested to submit a consent letter.

On the sixth day of December 2022, a camp orientation was scheduled at 2 PM. Mr. Tony, an assistant professor at Bharath Matha College, served as the camp's instructor and provided all pertinent details and instructions. He broke the ice with the attendees at the beginning of the session using a variety of exercises. Then he discussed the significance of holding a camp within the tribal area and all the considerations we should make before

visiting. He continued by highlighting the necessity of many committees and groups, along with the leader. Immediately following that meeting, various committees were formed, the leader was chosen, and the participants were divided into groups. The leader was chosen to be Sneha Kavya of the Malayalam optional. There were about nine committees and four groups constituted. It was also decided who would lead each of the four groups. There were a number of committees, including the programme committee, the food and travel committee, the finance committee, the purchase committee, the medicine committee, the cultural committee, the discipline committee, the tools committee, and the documentation committee. The meeting adjourned at 4:15 p.m. Later that day, there were numerous camp-related discussions. On the foundation of the idea of community engagement, we were requested to propose a title for the camp. Names like Karma, Urvi, Unary, Aaranyayanam, Kadakam, Jeevanam, etc. were among the many names that were suggested. Finally, Urvi was decided upon as the camp's name. The four groups were given the names Kuruji, Marutham, Neythal, and Paalai, respectively.

During the lunch hour on December 7th, a meeting of the programme committee members took place. The student coordinator and five other members of the programme committee gathered to discuss and arrange the events that must take place over the camp days. On December 8, 2022, the programme committee and student coordinator assembled once more. To get everyone's input on the events and to hold meetings to discuss ideas, meetings were also held with all the participants. Everyone took part fully and enthusiastically contributed their ideas and opinions. For the four days of camp, different responsibilities were assigned to each group. Programs on the first day included an inaugural address, a discussion forum, a cultural event, and a news reading. Day two was scheduled with group one cleaning, group two assisting with construction of Vaalyamapura (a place where girls and women stay during their menstrual period, somewhat away from the house they are staying in), group three being tasked with engaging with children, and group four being tasked with instructing. On the third day, group one will complete the construction of Vaalyamapura, group two will interact with the children, group three will carry out the teaching duties, and group four will complete the cleaning. On day four, the last day, a school visit was scheduled, along with an interaction session and a craft-making activity. According to their responsibilities, each group was obliged to plan engaging activities for the relevant days and to consider the necessary supplies needed to carry out activities at the campsite. To plan the activities and cultural programmes that will take place at the campsite, several meetings were organised.

On November 11th, 2022, Kavyamol A. B. from Malayalam Optional created a banner for the camp. It was the outcome of persistence, perseverance, patience, and time. Again, on December 12 at 2:00 PM, a meeting was held with the teachers and participants to discuss what has to be purchased, what materials are needed for first aid, what teaching aids are required, what activities we should undertake, and what supplies we ought to have on hand. The goods that needed to be bought were listed out. Teachers also gave us a list of everything we needed to bring on a camping trip and reminded us to take protective measures when we were travelling on long journeys or in forest areas. Thereafter the meeting ended. The Rotary Club would fund some of the necessary goods for the indigenous children, Sr. Betty announced the following day, on December 13, 2022.

On Thursday, December 14 at 12:55 PM, a meeting was yet again conducted in the auditorium to consider the subjects we would be teaching the children there. It was determined that we may educate the children about personal hygiene, little poetry, paper crafts, and alphabets. The leader jotted down a list of who will handle the various tasks. Additionally, a list of the cultural programmes put on by each group for each day was taken down. Following that, members' parents' names and contact information was gathered out of concern.

Since pupils were not permitted to bring their phones to class, parents were also given the phone number of the concerned teachers. By compiling a list of items that needed to be purchased for the camp from the various committees' needs and making all of the purchases on December 14, 2022, the Purchase Committee and Finance Committee began their work. A final list of items to take for the camp and a schedule of the daily cultural activities were posted in the WhatsApp group by the leader on December 15th, 2022. After that, at 1:15 PM, the campers were instructed to gather in the multipurpose hall. It was time to prepare the educational resources for the children.

The members created charts for the English and Malayalam alphabets, numerals, colour cards, and flashcards for different sensory organs, among other things. The next day's preparations were completed, including packing. The campers did not forget to seek the principal, teachers, and office staff for their blessings in order for the camp to be a success. Later that day, Sr. Betty reminded us of other preparations we needed to make before departing, such as hanging the banner and packing and organising things in the bus. All of these were part of the camp's preparation and planning. Everyone was delighted and eager for an exciting and unique experience the very following day.

DAY ONE - 16/12/2022

On December 16, 2022, the 26 campers assembled at St. Joseph College of Teacher Education for Women at 6:45 AM. The necessary supplies that were bought for the tribe members were sorted and packed. To get to the destination, which was Vandiperiyar in the Idukki District, a minibus was chosen as the mode of transportation. Following everyone's arrival, the luggage and other supplies were loaded onto the bus. We had a short prayer session led by Principal Dr. Sr. Alice Joseph. Furthermore, we received a blessing for the camp from Provincial Sister Little Flower CMC and a few other sisters.

Everyone boarded the bus at 7:45 AM, and the entire group headed to the campsite. Rachel Ma'am joined us intermittently over the lengthy drive. The food committee had prepared bread and jam for breakfast, which we ate at 8:30 a.m. Mrs. Jeena and the local ST promoter PG Prema joined us on the way. We reached our first destination, a tribal settlement at Peerumedu at 2:00 PM. The settlement consisted of roughly six families. The majority of the family members were unemployed, and their primary source of income is from government rations and other assistance. Their living spaces amply demonstrated how disorganised and unhygienic they all seemed to be. We distributed mats, lungies, night wear dresses of women and children, bath towels, buckets, cups, steel rice pots, steel glasses, steel spoons, and pots for water were given to each family.

A unique tree was one of the location's attractions. Mrs. Prema explained the history of the tree, indicating that it was once used to store weapons. However, the tree had grown roots that were deep and massive that expanded outward and had one side that was concreted.

The tree's roots created a canopy. It was such a striking scene, a lovely illustration of how nature and human civilization coexist. We left Peerumedu at 2:30 and arrived in Vandiperiyar around 3:10. We stopped at a store that rents out tools because we had to gather tools along

the route. But regrettably, we were unable to obtain the necessary tools there. We continued our journey after that. In spite of the fact that the trip from Ernakulam to Idukki was lengthy, music was being played in the bus throughout the breaks, and everyone in the vehicle danced and enjoyed themselves. The members were able to adjust and work along well by switching seats, taking turns sitting in steps, and other corporate behaviours because there were only limited seats in the bus that was not enough for all the members. With the assistance of a forest ranger who had accompanied us from the checkpoint, we eventually arrived at the location for our stay around 3:10 PM. We were accommodated in a hostel run by the Periyar Tiger Reserve's forest department, called Vanaparvam. Upon seeing the surroundings and weather where we are residing, everyone was pleased. They had prepared an incredibly delicious lunch for us. We unloaded the baggage, other supplies, and teaching aids from the bus into the dorm after lunch. We received two dorm rooms. Rachel Ma'am and Mrs. Jeena Tony joined the members of the first dormitory, and Sr. Betty accompanied us on the second. The dorm had enough space, as well as enough fans and lighting. Bunk beds were there for sleeping which was a new experience for many of the members. In accordance with their interests, they select the beds on the upper or lower level.

Everyone was then instructed to gather at 4:00 PM to visit the "Malapandaram" community's settlement and the Malapandaram people in order to get a sense of the area and the locals and make plans for the activities that needed to be done the very next day, which included cleaning, building "Valyamapura," and interacting with the locals.

The settlement contained roughly five families. There were four buildings there, but only the tribal members used the remaining two as the two of them were demolished. It appears from the surroundings that they use firewood to prepare food outside the home. There was a severe lack of neatness and cleanliness in the area. These people in concern were residing inside the forest, but when Kerala experienced flooding in 2018, they were forced to leave and relocate in nearby villages by the forest department. This was revealed by Mrs. Prema to us in a way to give some brief information about their situation and condition. These individuals initially hid and fled from the villagers. These people developed social skills through frequent interactions. Mrs. Jeena informed us that these folks frequently wander into the forest and stay inside the forest, consuming forest products, and refrain from going to hospitals despite having medical issues. Even deliveries take place in the forest or in the settlement area. And they refuse to visit hospitals. They accept death as part of their beliefs no matter what happens. The tribal people do not maintain personal cleanliness, which is evident in their look. They were dressed in tattered, filthy clothing that was heavily muddied. Their hair was

completely matted with dirt. They don't appear to wash their bodies or take baths. Some of the damaged solar energy equipment were visible to us. Upon returning to the dormitory and observing the circumstances in the village, we revised our schedule and activities. After that, we had a shower and prepared for the class that was being held in the conference room. At 6:00 PM, when everyone was gathered in the conference room, a forest department officer named Mr. Manikuttan gave a lovely lecture on the following subjects: the necessity for tiger reserves, the characteristics of tigers, Project Tiger, the east and west division, the location of Periyar Tiger Reserve, how it operates, the history of the Wildlife Protection Act, conflicts between people and animals, the two temples in the forest—Sabarimala and Mangaladevi temples, bamboo drafting, etc. The lesson covered a lot of new content, including the fact that dragonflies are carnivorous and several other things. There was also a discussion session to clarify our doubts. Members asked questions like, "Do we have access to the Core Zone of the forest?". Sir then responded that ecotourism was only permitted in the buffer zone and that only the officers and the relevant tribal communities connected to the forest were granted authorization to enter the core zone.

We were then split up into three groups. The members of Group 1 chose Anuradha A Pai to serve as its leader, giving the group the name Neelakurunji. The members of Group 2 voted Kavyamol A. B. to head the group under the name Aruvi, and the members of Group 3 elected Rosemary Jose to lead Group 3 under the name Kaduva. The members were split up into groups to complete an assignment. Topics for the assignment were assigned to each group. The topics for Groups 1, 2, and 3 were respectively plastic, water, and global warming. We were free to use any format we wanted for the presentation, such as narrating a story, writing a poem, performing a play, or using mime. Following that, two video documentaries about Periyar Tiger Reserve's Task Force and Sniffer Dog Squad were screened. The time to prepare for the assignment was then provided to us after dinner. We were instructed to return to the dorm room by 10:00 PM so we could get some sleep. Everyone returned to their dorm room and fell asleep. Day one ends there.

DAY TWO - 17/11/2022

On the second day, some of the participants awoke at 6:00 AM, while the rest awoke at 7:00 AM. We had breakfast at precisely 8:30 AM and left for the settlement right away after getting ready in our job attire for the cleaning task. There was a female forest ranger named Mrs. Rejini who provided us with guidance and extensive details about the Malapandaram community that lived there. As soon as we arrived, we began cleaning the settlement's premises. We gathered plastic, used clothing, numerous batteries, glass shards,

numerous iron materials, and all else. These garbage were divided into three different piles. After that, we were instructed to work in groups. there, in each of the four designated locations. Grass and other trash blanketed the entire area. Each group began their job by removing the grass and other invasive plants from the area.

While clearing out the place, they collected the waste and differentiated them as plastic, paper, cloth, iron scrap, broken glass pieces etc. One of the drawbacks was that there were n't sufficient tools available for the work. Consequently, cleaning required a lot of time. One of the nicest aspects of the cleaning procedure that ought to be highlighted was the teamwork, tenacity, and diligent mindset of the other members. In the scorching heat of the glaring sun, they worked ceaselessly without even taking a break. After that, at 10:30 AM, there was a formal inauguration ceremony. Several notable individuals, including the president of Azhutha Block Mr. Naushad Sir, Idukki Project Officer Mr. Anil Kumar, Range Officer Mr. Ajaygosh Sir, Tribal Extension Officer of Peerumedu Mrs. Manju Ma'am, Periyar Village Officer Mrs. Celin T George, Facilitator Mrs. Premakumari, Forest officer Mrs. Rejini, Coordinators of the camp Mrs. Jeena, and Mr. Tony M Tom, were present. Additionally, the Rotary Club president, Adv. Jolly John Sir, and some of the other club members with families who sponsored some of the materials arrived there and expressed their gratitude for carrying out such a wonderful deed. Some of them delivered brief messages, and after the inauguration the cleaning process proceeded. The members of the Rotary Club joined us for a while during the construction of "Valyamapura" as well as the cleaning procedure. Tea and treats were given out. We carried on with the cleaning. Some of them suffered leech bites. The medicine committee reacted swiftly and provided them with the necessary first aid assistance. In accordance with Tony Sir's directions, the groups cleared the ground before beginning to build "Valyamapura" by drawing out a rectangular plot and

laying bricks for a sturdy foundation. With the assistance of Tony sir and others, we created a platform and levelled it before inserting four sturdy woods into each of the four corners to completely cover the bricks. Later, the sides and roof were covered with a sheet. Two of the construction works were still unfinished when one was finished that day. At 2:30 PM we went back to have lunch and rested for half an hour and returned to the settlement for an interaction session with the people living there, especially the children.

At first they were very reluctant to interact with us but we were able to attract the attention of them. Slowly one by one they merged with us to play games. We created a rapport and then the bonding was easy thereafter. They joined us in playing the game of ball passing and took pleasure in it. As two of the players sang in the centre of the game, we moved around in a circle while alternately putting the kids in between us as we stood in the circle. To the beat of the music, we danced and passed the ball forward and paused whenever the music stopped. Each time the ball randomly reached a member, the music would stop. However, we made sure it wasn't them because they could have fun and become involved with us. The game was made more enjoyable by our sister's participation. Finally, they finished as the winners. Next, we requested some of them to sing a song. They sang Malayalam nursery songs for us after initially being hesitant to do so. For the winners, the rewards were prepared. To do that, we requested Betty Sr. to give them their gifts. Sister encouraged each youngster who took part in the game to mention their name. It absolutely astounded everyone how loudly and boldly they all called out their names. Sister then displayed the prize—a pouch—to them and inquired about its function. She urged the pupils to attend class by advising them to bring these pouches with them to school the very next day. They stated they will take the pouch to school the following day as promised. Later, Mrs. Jeena stated that she had never heard or seen them speak in such a way, which was truly astonishing to her. After our cordial approaches, we realised that they had significantly changed. We were delighted by that.

After that, we were instructed to assemble in the conference room later, so we went to the dorm by 5:45 PM to freshen ourselves. At 7:30 PM, everyone had gathered in the meeting room. Then Mr. Tony and Mrs. Jeena provided us with some important details on the community, the work we are doing, and the strategy for the upcoming task. In which Group 1 asked to visit the "Padanamuri" in Vallakadavu and to prepare a skit on the subject of drug misuse that they must perform there. Group 2 was given the responsibility of interacting with the kids and instructing them on the essentials of basic hygiene. Resuming the construction and cleaning work was advised of Groups 3 and 4. After that, Manikuttan Sir took charge of

the class and held a quiz competition. After being instructed to sit in groups of three, we had thirty seconds to discuss the question being asked, and after the discussion with group members only the group leader may respond to the question. The right response received two points, while the question that was passed over received one point and five seconds of discussion. The quiz featured wildlife sanctuaries, reserves, and other general knowledge questions, and it was incredibly interesting and fascinating. Although it was a close race, all three teams gave it their all, showing no signs of pain or fatigue after their early-morning work. Finally, the competition came to an end, with Team Kaduva taking first place, Team Aruvi coming in second, and Team Neelakuruji coming in third. This marks the end of the second day.

DAY THREE - 18/12/2022

We got up early on the third day and started gearing up for breakfast. We ate breakfast at 8:20 AM and began the tasks that had been assigned to us yesterday. According to the instructions, group 1 was required to go to the "padanamuri" in Vanchivayal to interact with the pupils there and conduct a skit on the subject of the dangers of drug use. The task of instructing the pupils, encouraging them to study, and forming positive study habits was given to Group 2.

The construction of "Valaymapura" and the last day's remaining cleaning process were assigned to Groups 3 and 4, respectively. Group 1 got started on the skit performance preparations after the meal itself. Both the storyline and the dialogue were developed by the group members itself. However, several of the other group members were tasked with packing a variety of goods that needed to be organised.

Then, aside from group 1, the other group members left at exactly 9:05 AM for cleaning and student interaction, and they began working in the intended site at precisely 9:20 AM. Group 2 was in charge of the children. In the settlement, there were eight children. Four of them were school children. Others included elders and infants. In order to establish a rapport with them, Group 2 went towards them and engaged in conversation with the children present. The group members sparked a desire in them to learn new things and to maintain their cleanliness. The group members also took charge of bathing the kids and changing them into new outfits that had been purchased for them. The children were initially given an oil bath in order to detangle their heavily knotted hair and apply oil to their bodies and hair while being monitored by Rachel Ma'am. The group members highlighted the necessity of

Ernakulam

maintaining personal cleanliness to the children as they were giving them a bath. The group members returned around 11:00 AM and began instructing the school children.

Groups 3 and 4 resumed their cleaning and construction work on "Valaymapura" in the meantime. One of the construction projects was completed on the 17th, and the remaining work, which included building two additional "Valaymapura," was scheduled to be finished on the 18th. It is necessary to sort and segregate the plastic waste that was gathered during the cleaning activity the other day. The two groups were divided once more and began their individual tasks. Four sacks containing the segregated plastic wastes were filled. Later, the panchayat would collect them for recycling. Other biodegradable and compostable debris was dumped in a sizable pit.

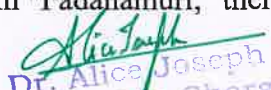

Concurrently, the construction of the second "Valaymapura" resumed by the base being levelled and a platform was built. The children's school's headmaster paid a visit to the settlement in the meantime. He arrived to find out the cause of the student's several-day absence from class. He took some photographs of the children with him and went back. The construction and cleaning of "Valaymapura" was finished by 12:30 PM. The effort was aided by Tony Sir and two additional like-minded people. For everyone, the "Valaymapura" construction was extremely fulfilling. Three of the "Valaymapura" are now well enclosed, spacious, and neat. They are built in a nice and organised manner.

The team was quite pleased with the behavioural changes, learning attitudes, and learning behaviours we saw in the tribal youngsters. Along with writing their names and learning the alphabet, they started playing games with us like word and spelling games. They also got along well with the student teachers.

They began conversing with the team members and had some understanding of the value of good personal hygiene. Following the completion of their tasks, several of the participants returned to the dorm to have lunch. A couple of them lingered behind since there was still a little construction to be done on the third "Valaymapura," and they arrived at the dorm around 1:00 PM to have lunch.

The members of Group 1 on the other hand left the camp with Sr. Betty for "Vanjivayal" and arrived there around 10:15 AM. The members paid a visit to the "Padanamuri" of the tribal children. Anyone, regardless of age, is invited to study in the "Padanamuri," a community learning centre.

The person in charge of the "Padanamuri" is a person by the name of Aswathy, who obtained her B. Ed. She assists the pupils, helps to resolve their questions, and monitors the lesson. In "Padanamuri," there were tables and benches, three bookshelves for the reference

Education for Women,

books, maps, facility of drinking water, a computer, and an internet connection. However, the internet facility was malfunctioning, and the restoration may take some time. Students have access to a small area outside the "Padanamuri" where they can play games and use other playthings. The "Padanamuri" is visited by about fourteen children. According to Mrs. Aswathy, the Padanamuri was managed by the forest department and was established since the students' residences lacked adequate study spaces. The Padanamuri was initially built for students which was attached to their actual home. But eventually, the proposal was abandoned because so many of them were lonely and frequently abused. So they built a common Padanamuri where all the community's children could learn.

The Padanamuri works all day on weekends and in the evenings throughout the week. Some pupils are unable to attend on weekdays due to the risk of attacks by wild animals, particularly elephants, when they travel to Padanamuri in the evening.

The members first intended to do a skit about drug abuse in Anganwadi. Then, however, the plan was altered so that it would be performed in front of the villagers and youngsters. We saw the elephant footprints that arrived yesterday night in that particular area as we headed to the villagers. A total of six or seven families attended to watch the performance. The performance was warmly welcomed. Following the show, as a prelude to the forthcoming Christmas celebration, the members cut a cake with the families. Then the members returned to the Anganwadi, where some of the students stopped by to meet us. The members interacted with the students and played the game of passing the ball. Prizes were given for the winners. Later the members distributed sweets among the students and their parents who came along with them. They asked the members to visit them again as they can show a playground they have in which they organise their programmes and games. All were happy and the team with Sr. Betty left the place by 12:00 PM and had lunch.

The members engaged in conversation and ball-passing games with the students. The winners received rewards. Later, the members gave out treats to the students and their accompanying parents. They urged the members to come back so they could show them the playground where they arrange their activities and programmes. All were content, and by 12:00 PM the team, including Sr. Betty, had departed the location and gone to have lunch. The next thing that we had to do was to visit "Sathram" in Vandiperiyar as some of the Malapandaram community reside in Sathram. We get into the bus to Sathram from our dormitories at 1:50 PM. The distance between the Sathram and the dorm was roughly 45 M.

We reached Sathram at 3: 00 PM. The Kanana Patha, which goes to Sabarimala, is close to where the Sathram was located. To get to the settlement, we had to mount upon a

Principal in Charge
St. Joseph College of Teacher Education for Women, Ernakulam

long hilly way. Along with the clothing, we also delivered some other supplies that were purchased for them. In Sathram, there were two families. They possessed two residences, each with all the facilities. We got the chance to interact with all of them. Everyone greeted us warmly and appeared pleased to see us. After having a quick talk with them, we learned that wild creatures frequently visit their location. They took us to a restroom area where there is evidence of an elephant attack. They offered us Franchise (Kunthirikkam), which was processed at their residence after being directly collected from the forest. and our Sr. Betty offered them the price for it and they accepted it. At 3:30 PM, we also delivered them the supplies that were prepared for them before leaving the settlement.

We made a halt at a tea plantation on the way home to admire its beauty. We strolled around the plantation, which was too organised and soothing for our eyes and minds. It was a serene setting. After spending approximately ten minutes there and snapping a few pictures, we continued on our way.

At 4: 10 PM we dropped by a restaurant near to have tea and coffee. When we returned to the dorm at 5:15 PM, the mess hall had served payasam. As it was the day for delivering our assignments in groups, everyone afterwards got ready and gathered in the conference room at 5:30 PM. Following some time for preparation, we began the presentation of the assignments at 6:00 PM. First up were the assignments from Group 1 - Neelakurunji. Plastic was the subject assigned for Group 1's presentation. They performed a street play which titled as "പ്ലാസ്റ്റിക്: അവൻ വീരനോ ശൂരനോ?". Both the presentation and performance of the play were fantastic. Reuse, Reduce, and Recycle was the message that was successfully communicated. All the members of the group participated and they did really well.

Group 2 - Aruvi made a visual presentation of a poem titled "ARUVI" written by Kavyamol A B and all the group members enacted the respective roles in respect of the poem. "Water" was the assigned topic for them. Through the poem and its visual presentation, they successfully convey the concepts of water contamination and the necessity for water conservation. For the topic of "Global Warming," Group 3's Kaduva performed a mime. They are also successful in spreading the word to lessen idly used CFC emitting equipment, deforestation, etc. that contribute to ozone depletion and global warming.

Manikuttan Sir offered his thoughts on the presentation and the subject after each presentation. By 6:45 PM, the assignment presentations were finished. After the presentation, the team was addressed by Mr. Shaji, the deputy forest officer, who provided us with some

Ernakulam

background information on the forest and its resources. Following that, there was the awarding of prizes for the Saturday-night quiz contest. First, second, and third place winners each received a prize. The rewards for the winners included some educational publications about the forest's biodiversity and fauna.

Since everyone may access the books, use them as references, and learn information from them, we made the decision to donate the books to the campus library. After that, we were requested to give our impressions of the dorm and any criticisms of the accommodation and staff during a review session. A few pupils voiced their opinions about the visit and the camp. From the teacher's part, Rachel Ma'am shared her experience and Mr. Tony also made a comment about his experience. Manikuttan Sir finally shared his thoughts on the members and our camp in general. After that we began our cultural programmes. It featured the Chain group song, two members performing cinematic dances individually, two members performing solo cinematic songs, a semi-classical dance performance, and campers singing the Naadan Pattu group song. Additionally, Mr. Tony and Mrs. Jeena Tony sang for us. Our Sr. Betty's song was the program's standout moment. Everyone was in awe of our Sister's sense of humour while she was singing the song. The performance was enjoyable for all of us, and we all contributed to its lasting memory.

We were sent to our rooms about 7:30 PM. Additionally, the forest officials allowed us to watch the 2022 World Cup Final which was broadcasted in the conference room. Those who weren't interested ate dinner and then went to pack and organise the supplies for Monday's distribution. Along with the forest officers, the interested members watched the football match between France and Argentina. The majority of them were Argentina fans who were both thrilled and curious about the game. After the game, everyone was pleased that Argentina had triumphed and went back to bed to rest. Thus, the third day also comes to an end.

DAY FOUR - 19/12/22

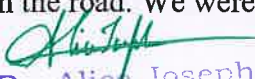

Once again, a hornbill's lovely voice woke us up to a new day. The majority of us prepared for the first activity, which was to visit the nearby campsite. We had a guide to help us understand everything. We were joined by Mrs. Jeena as well. The guide showed the tents which are very spacious and all set up. Along with that, restroom facilities are also close by. The campsite has pathways set up. It offers the impression of being in the woods. There is a campfire area with a furnace within. According to the guide, they no longer use it since it attracts a lot of tiny insects, butterflies, and other things that could catch fire. The view of the lake from there is one of the additional features. We noticed a tribe member heading out to

fish. He rode using a tree branch while using tyres as his mode of transportation through the water, which also contained the equipments he needed for fishing. Then, a sizable cluster of bamboos came into view. They are enormous in both height and size. We took a few pictures and then returned to the dorm to gather our belongings as we were departing the location. Everyone gathered for breakfast around 8:00 PM and started packing up. We bid goodbye to the aunts who had cooked for us and the officers present after loading the supplies and luggage onto the bus. After we left the area and reached at the checkpoint, we turned in the hard copy of the groupwork assignment that we performed the previous day. There we got the opportunity to visit the Mini Wildlife Museum and Pugmark Eco Shop in Vallakadavu. We observed specimens of various wild species there, including snakes, birds, squirrels, monkeys, insects, and butterflies. There was a massive skeleton of a Gaur, also known as a large wild cow, which is the largest member of the Bovidae family and the largest species of wild cattle. The skulls of tigers, cheetahs, and other creatures were also present. We then said goodbye to that location and took some photos with the forest rangers before continuing on to the next stop. It is the school in Vallakadavu, which is situated in a steep and rural place. We got off the bus, pulled out the supplies we had bought for their education, and climbed a steep to get to the school, which was actually situated on a high. When we arrived at the school, the principal and the teachers gave us a warm welcome. After that, they accepted our delivery of the educational materials and promised to distribute them to the youngsters in need. They are incredibly grateful for our visit and are appreciative. We were allowed to interact with students in classes 5, 6, and 7. By interacting with the students, we developed a rapport. In addition to the rhyming song about colours that Kavyamol A B published, she also taught students short rhymes and poetry. Anuradha A Pai then introduced the pupils how to make paper crafts, including cards and boats. To make one on their own, the children were handed craft paper. They followed the directions, and there were members there to assist them and allay their questions. The outcomes turned out wonderfully thanks to the pupils' intense curiosity. Later a skit was performed on the topic of drug abuse and a small dance performance was there too. Then we invited a few of them to perform anything they wanted on stage, and three of the students sang a song. We then bid our goodbyes because they had a test that evening. The school gave us some black tea to drink. We said the students farewell and then get on the the bus to go from that location. We took a break for lunch along the way at a roadside restaurant. The meal might be chosen by each person based on their preferences. We resumed our journey after lunch. As we travelled, we witnessed Argentina fans celebrating on the road. We were also eager to join them. However, because we were not

permitted, we cheered them on from the bus with great zeal and spirit. Then we had a thorough review portion during which several of them discussed their experience at camp. In their final thoughts on us and the camp, the teacher and Mr. and Mrs. Tony express their appreciation for our passion, liveliness, teamwork, and dedication. A vote of thanks session was also there. While listening to music and taking in the scenery, the journey continues. Mr. & Mrs. Tony bid us farewell at the pala bus stop. We continued travelling, and when Rachel ma'am's stop on Tripunithura came, she too got off the bus. As it was late, the parents of the members had already arrived at the college by the time we arrived there at 9:30. Others organised and maintained the camp's items in the managers' room before going to the hostel to rest. Consequently, the camp's final day comes to an end as well.

Respected Sir,

St Joseph College of Teacher Education for Women established in 1957 is a Women's only Teacher Education Institution with 65 Years of legacy and we strive for the upliftment of women and children. This college is the first college of teacher education in Kochi. It is a minority institution, owned and run by Vimala Province of the Congregation of Mother of Carmel (CMC), affiliated to Mahatma Gandhi university, Kottayam, Kerala and included in the list of colleges maintained under section 2 (f) & 12 (B) of the UGC Act, 1956, offering B.Ed & M.Ed Programme as per the NCTE guideline.

The college is known for its social commitment and has been working for the upliftment of the less fortunate brethren. It has expressed its social commitment by engaging in the field of checking Drug abuse and organizing summer camps for the students at Govt. Children's Home Kakanad.

We are planning to conduct a camp in collaboration with Tribal Department Vallakkadavu in the second or third week of December 2022 ie. Either from 09/12/2022 to 12/12/2022 or from 16/12/2022 to 19/12/2022 and work among the children and women there. So we request you to grant food and accommodation facility in Periyar Tiger Reserve. If so we can combine our camp with nature camp conducted by Periyar Tiger Reserve Vallakkadavu.

The camp will focus on the following matters:

1. Cleaning of the surroundings of the tribal's shelter
2. Awareness programmes on health and hygiene
3. Basic education to children
4. Awareness programmes on good parenting
5. Intervention programmes in tribal schools
6. Motivational classes for school going children
7. Recreational activities for children

Kaithangu

An Outreach Activity for School Children to overcome the accumulated defects in using Malayalam Language

St. Joseph College of Teacher Education for Women, Ernakulam always strived to arrange activities with a focus on improving the quality of future teachers and for nurturing responsible teachers with competence, commitment, and values.

The extension wing of the college organizes various significant activities to stretch out a helping hand to the needy brethren irrespective of caste, creed, color or gender. 'KAITHANGU' is an Outreach activity undertaken by the staff members and student teachers of Department of Malayalam Education, St. Joseph College of Teacher Education for Women, Ernakulam. The activity is implemented with an aim of helping school children to overcome the accumulated defects in using Malayalam language.

The student teachers and staff members of Malayalam Education (2018-2020 batch) at St. Joseph College of Teacher Education for Women, Ernakulam organized 'KAITHANGU, 2018' from 6th August 2018 to 16th November 2018 as part of extension activity for poor learners to overcome defects in using Malayalam language. A total amount of 5000 rupees was spent for implementing 'KAITHANGU' activity. The activity did help the student teachers in identifying and understanding the learning needs of slow learners or under achievers. The activity facilitated empathetic skills among the student teachers. A total of 14 student teachers participated in the activity.

Professor in Physical Science Education and Dr. Siji John, Assistant Professor in Social Science Education at St. Joseph College of Teacher Education for Women, Ernakulam. The resource person for the programme was Mr. Tony M Tom, Assistant professor and Project Head at Bharata Mata College, Thrikkakara in Kerala. A total of 18 faculty members from St. Joseph College of Teacher Education for Women, Ernakulam participated in the programme.

The programme on 'Significance of Community Resources in Education' conducted as part of Faculty Development Programme (FDP) started exactly at 3.00 PM at the college conference hall. The programme started with a prayer. The prayer was succeeded by the welcome speech for the programme. Dr. Josephine Joseph, IQAC Coordinator and Assistant Professor in Physical Science Education at St. Joseph College of Teacher Education for Women, Ernakulam delivered the welcome address for the programme. Dr. Josephine Joseph officially welcomed the resource person and all of the faculty members to the programme. After the welcome address delivered by Dr. Josephine Joseph, the resource person for the programme, Mr. Tony M Tom carried out the session on significance of community resource in education. The resource person started with explaining about community resource. The terminology 'community resource' refers to a broad range of elements that could be beneficial to the community. As long as it offers aid or service to the local residents, it could be anything. Community resources includes people, things, places and activities. These could be international businesses, associations, government agencies, or even people in the community. Many sources of funding are available for community resources. They may be operated by entirely nonprofit organizations, as well as by the government, corporations, or a single individual. While historically these resources referred to particular support groups, nonprofits, or outreach organizations, they now cover a larger variety of things. There are countless different kinds of community resources. Of course, anyone might mention a few off the top of their minds that have become more established and well-known. Yet as far as something is assisting a community, a minor part of it or even one single person, that thing or person serves as a part of community resources. The resource person also discussed on the significance of the community resources in education. Community Resources for a community are the ones that improve or make the lives of individuals better. Every person's development requires these resources in some form. Factories, schools, theatres, libraries, houses of worship, hospitals, community centers, parks, etc. are a few examples of community resources. Using these resources in teaching would be wise because it fosters a sense of worth and camaraderie among pupils. Students' learning experiences can be strengthened when educators use community

resources while teaching. Students will have the opportunity to learn in the real world owing to their understanding of the local community. It broadens students' horizons of knowledge and aids in their comprehension of how various community institutions operate. It encourages people to act responsibly and take the initiative to make improvements to the society in which they live. Also, it allows students to be exposed to many perspectives and promotes the development of an inclusive and stimulating environment. Community resources could help people learn democratic principles and get a deeper grasp of democracy. Students would feel more in control as a result, and these experiences would aid them in generating creative thoughts.

The resource person also discussed about some of the methods to utilize community resources in education. The methods discussed included, community surveys, community services and excursions. Students can learn about diverse facets of the society in which they live in by participating in community surveys. Students will be exposed to an array of cultures, values, traditions and ideologies. They will be capable of acquiring a great deal of knowledge, information and skills that rote learning will not allow them to get. They would be able to understand a multitude of issues that other communities are having and can discover the causes of these problems. They can also establish links between this information and the concepts they are studying in classroom. Also, these surveys will inform people about the value and significance of education and the forms of transformations that may be made attributable to education. Another technique to improve the teaching and learning process is through community services. It provides exposure to the challenges that are present in the community and gives pupils a concept of the various community resources. With this information, they may take the required steps to rectify the situation and improve situations. Students who participate in community services develop their talents by gaining access to contact with a diverse group of people. It eliminates any preconceptions they may have and can assist in shattering social stereotypes, all of which contribute to the improvement of the community as a whole. Field trips or excursions can provide students with unique learning opportunities. Field trips would expose students to diverse learning opportunities, in contrast to a classroom setting. These excursions may introduce pupils to new values and customs as well as generate new interests in them. Community resources can serve as an information- and experience-rich textbook for education. Instructors can serve as facilitators, making the most out of the available materials, and give students the opportunity to acquire the maximum knowledge possible.

The programme on, ‘Significance of Community Resources in Education’, conducted as part of Faculty Development Programme (FDP) was extremely fruitful. The faculty members could enhance their knowledge base and competence. All the faculty members participated in the Programme indicated positive feedback on the Programme and suggested that they were interested in participating in more such fruitful and informative programmes. The entire session winded up at 5.00 PM with the vote of thanks delivered by Dr. Siji John, Assistant Professor in Social Science Education at St. Joseph College of Teacher Education for Women, Ernakulam.
