INTRODUCTORY NOTE OF PRINCIPAL

At St. Joseph, we firmly believe that education serves the dual purpose of formation and transformation. Thus, our unwavering dedication propels us towards fostering a humane, just, eco-friendly, and gender-sensitive society. Managed by the Vimala Province of CMC, this institution, guided by the vision of our founder St. Kuriakose Elias Chavara, has steadfastly served society. Our primary objective, since inception, has been to mould empowered teachers who live lives steeped in faith, realize their full potential, and ardently contribute to constructing an enlightened society rooted in love and unity. Generations of students passing through our esteemed institution have played pivotal roles across various domains, embodying the spirit of our vision and mission.

Our heartfelt gratitude extends to the founders, as well as the successive principals, who, with the support of staff, students, parents, and well-wishers, have navigated this bastion of learning. Adapting to the evolving world, we consistently embrace change. Presenting the report for the academic year 2022-2023, we emphasize our commitment to fostering a research culture. In September 2022, our Research Centre in Education was inaugurated by the Honourable Vice Chancellor, Professor Sabu Thomas, marking the realization of a long-cherished dream.

Our commitment to holistic student development remains steadfast. Throughout the year, we organize awareness programs, seminars, workshops, camps and cleanliness drives. Combining community service and social entrepreneurship, we uplift the underprivileged by imparting skills and conducting awareness programs. This year, our NSS unit inaugurated on 13th January stands testament to our dedication to community service.

We express gratitude to the entire St. Joseph community—management, teaching and administrative staff, students, Parent-Teacher Association (PTA) and well-wishers. It is with pride that we report the institution's excellence across all academic fields.
